

is done before making a decision.

- Bridges located on municipal road allowances are due for inspection in 2011. G.D. Jewell Engineering usually does the evaluations at a cost of \$2,000.00-\$2,500.00. The bridge inspection program through Ontario Good Roads will pay 50%. Council agreed to hire G.D. Jewell Engineering for the inspections.
- Employee #004 will be on vacation from July 25-August 5, 2011.
- Whitney rink was painted by the works department; an excellent job was done.
- Need to find a paint to use on the paved rink surface.
- Hay Lake Road repairs were started this week.
- Have a price from M&R Feeds for fencing and bollards for unit enclosures at the Madawaska Complex. Need to get three quotes.

Administration Report

Clerk Treasurer Hal Luckasavitch provided a written report:

- Ductless Air Conditioner for Whitney Library will be installed on Monday July 25th.
- Eight invitational tenders have been sent out for the Whitney Library flooring with a closing date of July 27th.
- Painting of the Whitney Library will commence once the books and shelving have been removed.
- Pump for the Madawaska pump house has been ordered, scheduled to be delivered by the end of July. Arrangements have been made with Trueman Hawley's for the plumbing and Martin Electric for the electrical.
- Made contact with MTO to purchase the Transmitting Tower on Lot 17, Con, 5, Airy, with approximately 3.5 ac. of property. Estimated cost \$10,000.00, may be a little more reasonable because we are using it for emergency services. Council suggested getting an inspection done on the tower before purchasing.
- Finalized bank loan with Desjardins Financial Services in the amount of \$82,000.00 for the purchase of the Madawaska Fire Tanker. First payment will be in August.

There was a 10 minute break.

Res. #11-228

“Whereas lupus is an autoimmune disease that can cause severe damage to the tissue and organs in the body and, in some cases death; and

Whereas more than five million people worldwide suffer the devastating effects of this disease and each year over a hundred thousand young women, men and children are newly diagnosed with lupus, the great majority of who are women of childbearing age; and

Whereas medical research efforts into lupus and the discovery of safer, more effective treatments for lupus patients are under-funded in comparison with diseases of comparable magnitude and severity; and

Whereas many physicians worldwide are unaware of symptoms and the health effects of lupus, causing people with lupus to suffer for many years before they obtain a correct diagnosis and medical treatment; and

Whereas there is a deep, unmet need worldwide to educate and support individual and families affected by lupus; and

Whereas there is an urgent need to increase awareness in communities worldwide of the debilitating impact of lupus;

Now Therefore Be it Resolved that October 2011 is hereby designated as “**October is Lupus Awareness Month**” when lupus organizations around the world call for increases in public and private sector funding for medical research on lupus, targeted education programmes for health professionals, patients and the public, and worldwide recognition of lupus as a significant public health issue.”
